

SUPPLY LIST FOR ALL ABOUT COLOR WITH BARBARA THOMAS

**Series of four classes: Fridays, October 18, 25, November 1, 8, 2019
10 am to 12:30 pm each day**

This workshop will concentrate on color: color theory, color mixing, color effects. Using the works in the galleries as examples, teaching artist Barbara Thomas will 'break down' the way color is achieved and guide students to use color to create works.

Please order at www.blickart.com or www.jerrysArtarama.com or you can try Bridgehampton Photo Arts, and Golden Eagle in East Hampton. These are the only colors you will need to order. From these few colors I will show you how to mix every color under the sun! Please don't waste money on sets.
